

Team Skill Matrix

Team Kitsui

This document outlines the overall team skills that we as a group have agreed exists within our group. The skills are not based on an individual level, and will be ranked on a scale of 1 to 10 to determine how confident we believe we are regarding each skill.

Key: 1 = No confidence, 10 = Absolute confidence

| Skill Title | Confidence Level |
|--|-------------------------|
| <i>Non-technical Documentation</i> | 8 |
| <i>Programming</i> | 9 |
| <i>Problem Solving (problem analysis, solution design)</i> | 8 |
| <i>Working as a team</i> | 10 |
| <i>Humour</i> | 3.14159265358979323 |
| <i>Skill acquisition (ability to learn)</i> | 8 |
| <i>Internal Communication</i> | 10 |
| <i>Ability to listen and question</i> | 9.5 |
| <i>Time management / Organisation</i> | 7.5 |
| <i>Flexibility (adaptable)</i> | 8.5 |
| <i>Networking</i> | 8 |
| <i>Professionalism</i> | 9 |
| <i>Presentation</i> | 9 |
| <i>Project Management</i> | 8.5 |
| <i>Conflict Resolution</i> | 10 |
| <i>Risk management</i> | 8 |
| <i>Technical Documentation</i> | 9.5 |
